

## **IN THE DRAWINGS**

The drawings were objected to as containing inaccuracies. Submitted herewith are replacement sheets of the various drawings, along with annotated marked-up drawings reflecting proposed amendments to the drawings. The applicant requests that the Examiner review the drawings and approve them. During review of the application, it was discovered that additional drawing changes were necessary. These additional drawing changes are discussed below.

Figures 3B and 3C have been amended to include lead lines which extend to element "23". In Figure 3B, the lead line labeled "A" have been amended to arrows.

Figures 1, 2, and 3A have been amended to include the verbiage "Prior Art".

## REMARKS

Applicant's Representative appreciates the indication of patentable subject matter in the claims. The specification has been amended to correct typographical errors. The claims have been amended to correct the noted typographical errors. New drawings have been submitted to correct the noted deficiencies. No new matter has been added.

It is understood that claims 19 and 20 have been restricted from the application. The applicant reserves the right to file a divisional application on these claims.

The drawings were objected to for various reasons. Red-lined copies reflecting corrections along with replacement sheets are provided. The applicant requests that the Examiner review the drawing changes and approve them.

The specification including the Abstract was objected to as containing informalities. Marked-up copies along with substitute copies are provided. Reconsideration and withdrawal of these objections are solicited.

It is understood that claims 9-20 were incorrectly numbered have been renumbered as indicated above. Claims 8-18 were objected to as containing informalities. These claims have been amended to correct typographical errors. Reconsideration and withdrawal of these objections are solicited.

Claims 14 and 15 were rejected under 35 USC §112, second paragraph as being indefinite. These claims have been amended to overcome these rejections. Reconsideration and withdrawal of these rejections are respectfully requested.

The application is condition for allowance. If for any reason the Examiner determines that the application is not currently in condition for allowance, it is respectfully requested that the Examiner contact by telephone, the applicant's undersigned attorney at the indicated telephone number to arrange for an interview to expedite the disposition of this application.

Respectfully submitted,
